

CHIEVELEY PRIMARY SCHOOL

SPORTS PREMIUM REPORT
AUGUST 2021 - JULY 2022

SCHOOL OVERVIEW [JULY 2022]

Metric	Data
School Name	Chieveley Primary School
Pupils In School	201
Academic year or years covered by report	2021-22 (Full Academic Year)
Sports Premium Allocation Covered by Statement	£17782 Plus £2503 Surplus from 20/21 Tot: £20283 (split between 19/20 and 20/21 financial years)
Publish date	July 2022
Next Report Due	July 2023
Statement authorised by	A Marriott (Headteacher) V Brown (Chair of Governors)

INTENT:

ALL pupils leave primary school with a Futureproof approach to sports - ie they are physically literate and have the knowledge, skills, attitudes and confidence that will equip them with a healthy, active lifestyle, and ensure lifelong participation in physical activity or sport.

Objectives for the 2020-22 year:

1. Ensure all children have the skills and attitudes to participate in a range of physical activities
2. Ensure our youngest children have access to additional high-quality sports tuition to nurture the key sports skills they will need across their whole sports experience
3. Improve the variety of sports experiences on offer to all children, including after-school clubs
4. Launch an engaging outdoor learning programme to encourage active, outdoor play and the 'soft skills' children will be able to transfer to all areas of life, including sports.
5. Improve the amount, and quality, of PE resources now that our sports coaching has been brought 'in-house'
6. Continue to offer participation in competitive sport

SWIMMING

As of July 2022, 97% of Year 6 children met the [National Curriculum Swimming Requirement](#)

AREA OF EXPENDITURE	OBJECTIVE COVERED	INTENT	IMPLEMENTATION (& EVIDENCE)	IMPACT
High- quality PE Coaching (including extra-curricular clubs)	2,3	Ensure our children receive good teaching in the core skills needed to compete in a variety of sports	New internal PE coach recruited Apr 2022 for: 2x 1hr lessons in KS2 1x 1hr lesson in KS1 Plus after-school sports clubs each day, too.	Increased engagement with PE lessons observed throughout summer term. Sports clubs for summer term 2022 (and Autumn term bookings) show waiting lists for clubs - children highly engaged.
Gymnastics Core Coaching for KS1 children	1,2	Continue to develop children's core skills - balance, agility, etc, so they are able to participate more effectively in a range of sports from KS2 upwards. Nurture a love of physical activity in a non-competitive way. Continue to provide extra-curricular tuition (Wednesday AM)	1x 1hr /week in KS1 Clear progression of skills across the year - and chance for children to be challenged to try new ways of moving.	Good feedback from staff and children. Children observed being increasingly confident and competent with new types of movements, holds and turns and how they can take appropriate risks when using resources (eg jumping off of benches)
PE resources	5	Ensure our stocks of good-quality resources are high enough that PE	New PE resources ordered to meet new	More resources being used for engaging PE lessons - including sound

		sessions and clubs can run effectively and appropriate and safe gear.	PE curriculum and for use at clubs Sports day resources updated to ensure a more active day for all children, with new trophy and stickers bought to encourage participation and team-spirit.	systems for 'Fitness Fridays' Excellent participation at Sports Day and good feedback from children and parents.
Outdoor Learning Resources	4	Following the successful launch of Forest School Hub (top Woodland) we have allocated some expenditure to ensure that ALL woodland areas are as purposeful and active.		Yr 3 children continue to love Forest Fridays. Forest School Club (EYFS/KS1) was a popular choice and well-received by children. All classes using their OW slot during summer term - more active learning as part of the wider 'topic' curriculum.
Play Leaders	1	A member of KS1 staff to promote healthy, active play habits during lunchtimes and to facilitate 'safe sports' while children are on break time.	KS1 football observed during playtimes (when not in woodland) and more children participating in running, kicking and	Increased active play in KS1 during playtimes and more children taking part in active games as opposed to more

			throwing games at break times.	static tasks such as colouring.
LEA Sports Affiliations	6	Ensure and increase access to appropriate competitive events and wider opportunities for staff and children.	Children have participated in more competitions this year (although some cancelled due to Covid) - including Year 3/4 Rugby, CrossCountry at Newbury Showground	More children have had the chance to represent the school at competitions and apply their skills from clubs and lessons in a competitive context.
Competition PE Tops	6	Ensure children have appropriate kit to wear to external events and to ensure no pupil misses out because of lack of equipment	30x sports polos ordered from SkoolKit, embroidered
