

Primary Physical Education and Sport Premium Report

Date: July 2020

Vision: ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport. Objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools against 5 key indicators: 1.the engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles 2.the profile of PE and sport being raised across the school as a tool for whole school improvement 3.increased confidence, knowledge and skills of all staff in teaching PE and sport 4.broader experience of a range of sports and activities offered to all pupils 5.increased participation in competitive sport				
Area of Focus	Evidence	Action Plan	Effective Use of the Funding	Impact
<u>Curriculum</u> the engagement of all pupils in regular physical activity - kick-starting healthy active lifestyles increased confidence, knowledge and skills of all staff in teaching PE and sport broader experience of a range of sports and activities offered to all pupils Increased participation in competitive sport Money spent on new sports equipment and	Observed lessons Whole class teaching Photos and observations shared with parents Lessons Competition records Schools data on money spent	Continue with Real PE training by having members of staff watch PE lessons taught by Mr Wilson who is trained in Real PE for both KS1 and KS2. We have appointed 2 student Sports Ambassadors and 2 student Sports Leaders who have helped with the running of sport, as well as learning to teach their own PE lessons under supervision of the teacher. Involvement in many competitions including netball, football and rugby and summer cricket, rounders, dodgeball and athletics. As of July 2019 over 60 children have represented the school at an event. We have maintained and checked PE equipment and sports pitches.	All pupils have benefitted from the REAL PE training in the breadth of skills and sports being taught. E.g. Jump Ball and achieving personal best rather than competitive sports with activities such as THROLF. REAL PE trained sports coach teaching alongside staff to enhance their knowledge and understanding of PE teaching We have continued to appoint and develop Year 6 Sports Ambassadors despite WBSP to support Sport within schools being scrapped. This has allowed for increased range in PE lessons and better resources for our after school	More confident and competent staff Ease of delivery due to accessible resources - REAL PE resources Enhanced quality of delivery of activities Improved standards More confident and competent pupils Increased parental involvement Increased involvement with clubs.

Primary Physical Education and Sport Premium Report

improvement of old equipment		There has been an addition of new equipment for playtimes.	clubs to accommodate higher pupil numbers.	Wider range of activities in PE and capability of accommodating more children in extra curricular activities.
Further details: Alongside our employed specialist coach for PE, we have also had access to specialised sports coaching that has been provided by the WBSSP. We have been allocated 3 six-week coaching blocks, which we have used in Year Reception to Year 5 this year. This has been for Gymnastics, Tennis and Athletics and also an Athletics ASC for Year 3 and 4 (however athletics was cancelled in the summer term due to Covid-19). We also had a new Yoga coach for 2 hours per week who has worked with multiple year groups throughout the year				

Primary Physical Education and Sport Premium Report

<u>Extra-Curricular Sports activities</u> <i>Increase in participation rates in After School Clubs</i> <i>Participation and success in competitive school sports</i> <i>Increase in number of pupils taking part in extra curricular activities</i> <i>Increase in range of sports and activities on offer</i> <i>Entry into skills based competitions for younger children</i> <i>Increase in participation in competitive sport</i>	Schools own data / registers West Berkshire attendance records at external events Amount of children to take part in a competition for school Photos and Match Reports shared with parents in school newsletters Calendar of events/fixture lists.	Offering a wide range of sports as After School Clubs to attract children of differing skills and interests. This includes a Multi Skills club for Year 2 to prepare them for clubs in years 3,4,5 and 6. Involvement in different sports such as Tennis, Bowling and Dodgeball to be more inclusive. Also offer: Street dance, Judo, Jazz and Gymnastics through paid after school clubs. Pay for those children who would not otherwise attend, and encourage them to go. Encourage further participation in cross-country, girls football and Year 2 football. With the wide range of sporting events offered by WBSP and fixtures and events arranged by our paid sports coach, we have had a large representation of children for school this year.	Employing specialist sports coaches and using the School Sports Network to provide us with after school clubs. Entry in to sporting events provided to us through the School Sports Network Provide a broad range of after school clubs to increase engagement of pupils in regular physical activity Providing more competitive sport, starting from Year 2, and having more children from all clubs being able to take part in these Paying staff or external coaches to support competitions We have managed to get a large portion of children to represent school in sport. We try and select as many children as possible as appose to just a minority. Buying into the WBSP that offers a broad range of sporting competitions	High participation in extra curricular clubs at school <u>Autumn/Spring Term</u> Cross Country Football Tag Rugby Netball <u>Summer Term CANCELLED</u> Rounders Cricket Multi Skills Athletics Girls Football Around 75 children attended an extra curricular sports club this year Increased the number of external sporting events attended. Positive attitudes to health and well-being Improved pupil attitudes to PE Positive impact on whole school improvement
