Date: July 2019

Vision: ALL pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity and sport. Objective: To achieve self-sustaining improvement in the quality of PE and sport in primary schools against 5 key indicators: 1.the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles 2.the profile of PE and sport being raised across the school as a tool for whole school improvement 3.increased confidence, knowledge and skills of all staff in teaching PE and sport 4.broader experience of a range of sports and activities offered to all pupils 5.increased participation in competitive sport				
Area of Focus	Evidence	Action Plan	Effective Use of the Funding	Impact
<u>Curriculum</u> the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles increased confidence, knowledge and skills of all staff in teaching PE and sport broader experience of a range of sports and activities offered to all pupils Increased participation in competitive sport	Observed lessons Whole class teaching Photos and observations shared with parents Lessons Competition records	Continue with Real PE training by having members of staff watch PE lessons taught by Mr Wilson who is trained in Real PE for both KS1 and KS2. This year we have had 2 staff members observing lessons. We have appointed 2 student Sports Ambassadors and 2 student Sports Leaders Involvement in many competitions including netball, football and rugby and in the summer cricket, rounders, dodgeball and athletics. As of July 2019 over 60 children have represented the school at an event.	All pupils have benefitted from the REAL PE training in the breadth of skills and sports being taught. E.g. Jump Ball and achieving personal best rather than competitive sports with activities such as THROLF. REAL PE trained sports coach teaching alongside staff to enhance their knowledge and understanding of PE teaching We have continued to appoint and develop Year 6 Sports Ambassadors despite WBSP to support Sport within schools being scrapped.	More confident and competent staff Ease of delivery due to accessible resources – REAL PE resources Enhanced quality of delivery of activities Improved standards More confident and competent pupils Increased parental involvement Increased involvement with clubs.

Money spent on new sports equipment and improvement of old equipment	Schools data on money spent	We have purchased new gym mats, yoga mats, checking PE equipment, sports pitches, new shelving for the PE shed and new equipment for PE lessons and break times.	This has allowed for increased range in PE lessons and better resources for our after school clubs to accommodate higher pupil numbers.	Wider range of activities in PE and capability of accommodating more children in extra curricular activities.
Further details: Alongside our employed specialist coach for PE, we have also had access to specialised sports coaching that has been provided by the WBSSP. We have been allocated 3 six-week coaching blocks, which we have used in Year Reception to Year 5 this year. This has been for Gymnastics (Reception and Year 2) Tennis (Year 5 & 6) and Athletics (Year 2 and 4) and also an Athletics ASC for Year 3 and 4. We also had a new Yoga coach for 2 hours per week who has worked with Year 2, 3 and 6 as well as doing a Zumba Workshop.
