

Primary Physical Education and Sport Premium Report

Date: April 2018

Vision: ALL pupils leaving primary school **physically literate** and with the **knowledge, skills and motivation** necessary to equip them for a **healthy, active lifestyle** and **lifelong participation** in physical activity and sport.

Objective: To achieve **self-sustaining** improvement in the quality of PE and sport in primary schools against 5 key indicators:

- 1.the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles
- 2.the profile of PE and sport being raised across the school as a tool for whole school improvement
- 3.increased confidence, knowledge and skills of all staff in teaching PE and sport
- 4.broader experience of a range of sports and activities offered to all pupils
- 5.increased participation in competitive sport

Primary Physical Education and Sport Premium Report

<u>Curriculum</u> the engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles increased confidence, knowledge and skills of all staff in teaching PE and sport broader experience of a range of sports and activities offered to all pupils Increased participation in competitive sport Money spent on new sports equipment and improvement of old equipment	Observed lessons Whole class teaching Photos and observations shared with parents Lessons Competition records Schools data on money spent	Continue with Real PE training by having members of staff watch PE lessons taught by Mr Wilson who is trained in Real PE. This year we have had 2 staff members observing lessons. We have appointed 2 student Sports Ambassadors Involvement in many competitions including bowling, netball, football and rugby and in the summer cricket, rounders, dodgeball and athletics. As of Easter 2018 over 60 children have represented the school at an event. We have purchased new gym mats, new netballs, new footballs, new netball posts, new rounder's equipment, and have paid the caretaker to repair equipment already owned.	All pupils have benefitted from the REAL PE training in the breadth of skills and sports being taught. E.g. Jump Ball and achieving personal best rather than competitive sports with activities such as THROLF. REAL PE trained sports coach teaching alongside staff to enhance their knowledge and understanding of PE teaching We have continued to appoint and develop Year 6 Sports Ambassadors despite WBSP to support Sport within schools being scrapped. Yr2 football competition This has allowed for increased range in PE lessons and better resources for our after school clubs to accommodate higher pupil numbers.	More confident and competent staff Ease of delivery due to accessible resources – REAL PE resources Enhanced quality of delivery of activities Improved standards More confident and competent pupils Increased parental involvement Increased involvement with clubs. Wider range of activities in PE and capability of accommodating more children in extra curricular activities.
Further details: Alongside our employed specialist coach for PE, we have also had access to specialised sports coaching that has been provided by the WBSSP. We have been allocated 3 six week coaching blocks which we have used in Year 1 - 4 this year. This has been for Gymnastics (Y1 and 4) Tennis (Year 2 & 4) and Athletics which will commence in the summer for 2 lessons a week and an after school club.				

Primary Physical Education and Sport Premium Report

<u>Extra-Curricular Sports activities</u> <i>Increase in participation rates in After School Clubs</i> <i>Participation and success in competitive school sports</i> <i>Increase in number of pupils taking part in extra curricular activities</i> <i>Increase in range of sports and activities on offer</i> <i>Increase in participation in competitive sport</i>	Schools own data / registers West Berkshire attendance records at external events Amount of children to take part in a competition for school Photos and Match Reports shared with parents in school newsletters Calendar of events/fixture lists.	Offering a wide range of sports as After School Clubs to attract children of differing skills and interests. This includes a Multi Skills club for Year 2 to prepare them for clubs in years 3,4,5 and 6. Involvement in different sports such as Tennis, Bowling and Dodgeball to be more inclusive. Also offer: Street dance, Judo, Jazz and Gymnastics through paid after school clubs. Pay for those children who would not otherwise attend, and encourage them to go. Encourage further participation in cross-country, girls football and Year 2 football. In the last 4 years we have gone from not having a girls football team to having 2 teams across the 4-year groups. With the wide range of sporting events offered by WBSP and fixtures and events arranged by our paid sports coach, we have managed 68 children to represent school as of Easter 2018, with all the summer events still to happen. We are aiming to push to nearly half of the school.	Employing specialist sports coaches and using the School Sports Network to provide us with after school clubs. Entry in to sporting events provided to us through the School Sports Network Provide a broad range of after school clubs to increase engagement of pupils in regular physical activity Providing more competitive sport, starting from Year 2, and having more children from all clubs being able to take part in these Paying staff or external coaches to support competitions So far this year the school has hosted a Netball and Football competition welcoming other schools for fixtures that allow more children to be involved in representing their schools in sport. Paying for coaches to run 'friendly' events against other schools e.g. hosting football tournament and netball fixtures Buying into the WBSP that offers a broad range of sporting competitions	High participation in extra curricular clubs at school <u>Autumn/Spring Term</u> Cross Country: 50 children Football: 55 children Tag Rugby: 28 children in total Netball: 25 <u>Summer Term</u> Rounders: 51 children Kwik: Cricket: 42 children Athletics: 50 children Year 2 Multi Skills: 15 Girls Football: 18 <i>Increase of 33 in total amount of sign ups to clubs</i> Increased the number of external sporting events attended. Positive attitudes to health and well-being Improved pupil attitudes to PE Positive impact on whole school improvement
